January 15st-28th

National Referendum held

Indokistan, INN—The government currently held a referendum after

the Constitution draft finished to examined and checked by the Parliament.

The referendum are held to knowing the peoples opinion and ex-

pression to approve or reject the new proposed Constitution. The referendum are starts from

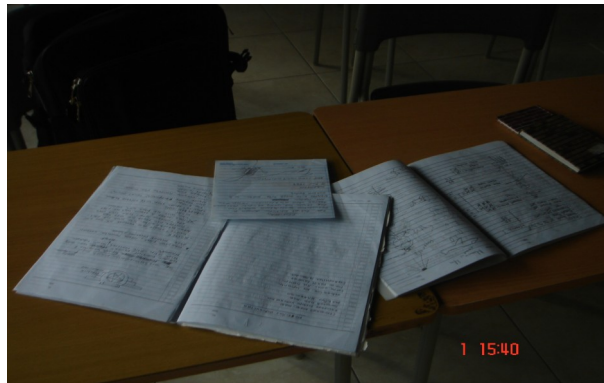

January 26th until all peoples vote, expected finished in January 30th.

the people, there are about the Constitution amendment and the In-

dokistan Armed Forces dissolution.

There are almost 10 peoples that already answered the referendum

questions, including President Dicky, Prime Minister Nabil and another citizens of Indokistan.

Not just Constitution

Not just the constitution are asked, totally there are 2 question asked to

National Archive Active

Flastraad, INN—The National Archive of Republic of Indokistan finally run in service after Prime Minister Nabil opens the Archive room in Flastraad. The National Archive of

Indokistan will become the part of Department of Social and Culture. While the National Archive just start to running in service for less than a week, there are lots of jobs that

National Archive must do, including store and record the historical stuff. The National Archive also will receives all historical stuff from people of Indokistan.

Farhan proposed the Armed Forces to be dissolve

Jumstraad, INN— This is the second question of the referendum, it starts when Farhan Abdurrahman are proposed the Armed Forces of Indokistan, to be dissolve and said his opinion to Nabil Ihsan. Despite the proposal are slightly con-

troversial, because proposing the dissolution of the security authority organization, Nabil and President Dicky support the idea. Farhan also said that Indokistan didn't have any thread and enemy should makes the armed forces inactive, he also said that Indokistan Armed Forces

doesn't have any role in History of Indokistan. Prime Minister Nabil and President Dicky are support his idea, while President Dicky said that he support the Armed Forces dissolution, but the armed forces should active during war.

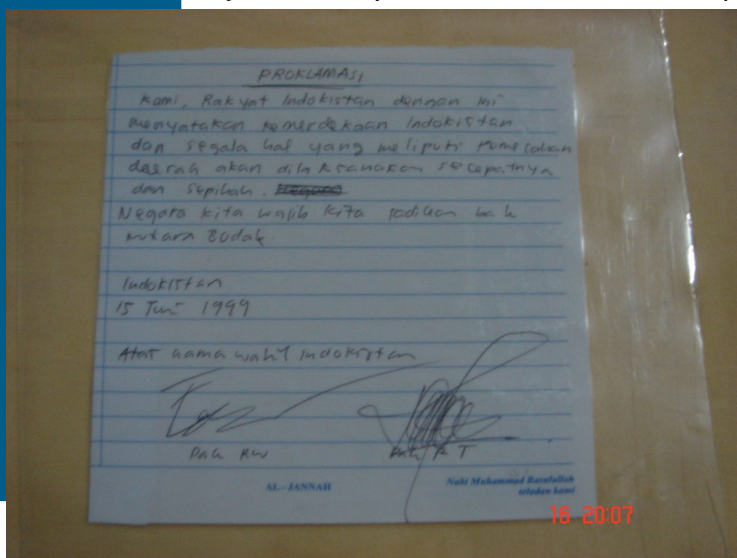

“..Farhan Abdurrahman are proposing the dissolution of Indokistan Armed Forces..”

Indokistan Cup finished

Flastraad, INN—The football competition between cities club in Indokistan, Indokistan Cup 2012 are officially finished, when city of Flastraad became the winner after succeeding to defeat the city of Jumstraad, by 3—5 in a

penalty, that held in Flastraad Square in January 21st. The Jumstraad Football Club are defeated from Flastraad after 15 minutes play with same score, and a penalty that results in 3-5 are makes Flastraad FC win the cup. This is

the sport-football competition that held in Indokistan. While the competition are end success, the Minister of Education and Sport Ezsa Zakiri hopes that the competition can be held routinely.

Picture: Proclamation Text

This is the laminated proclamation of independence of Indokistan text that written by Nabil Ihsan, and signed by Dicky LK and Farhan Abdurrahman. Currently, the text is stored in National archive building in Flastraad.

Tiana: Tianan—Juclandian treaty signed

Tiana, Tiana Today—The government of Tiana and Juclandia signed a treaty act that will opened new leverl of bilateral relations between both nations. The signing of the treaty became the first kind of treaty that signed by the Council of Peoples Commissars that elected just earlier this month. King Ciprian also

said that Tiana is the traditional friend of Juclandia and is one of our main partners of Juclandia in the community, and the continuity of relations was mandatory, He also hopes that the signing of the treaty will making relation between both country will getting stronger and better.

National Workers Bloc funded by Tiana

In another news, the government of Tiana are send funds to the National Workers Bloc of Juclandia after a recent electoral defeat. The funds sent to new Juclandian opposition are rumored to have been around \$0.20 USD.

“..He also hopes that the signing of the treaty will making relation between both country will getting stronger and better..”

Emergency situation after inactivity, Montosh Join Nemkhavia Federation?

Montosh—Montosh has a very great development before the Christmast break, the Prime Minister Everson even has just introduced his micronation to his friends and they seen interested to his nation. But after Christmas break, the

Nation suffers huge inactivity that might, forcing Patrick Everson to making decision, to join the Montosh to the Nemkhavia Federation, while he also said "We just don't have enough people to support Montosh right now". With his pow-

ers in emergency, 70% only number required for the members of senate to vote, while more than that are already controlled by National Party. The National Party leader was also said that her party supports the proposal.

Worldwide
