

MOTU PROPRIO INTER UNIONEM
BY HIS HOLINESS CALIXTUS
Dissolution of the Kivinesaarian Church of Katolicism and the
Kivinesaarian Katolic Papacy

~
26 October 2020

In Nomine Patris Et Filii Et Spiritus Sancti, Amen.

The Peace of God be with you, brothers and sisters!

~

1. Between union and division, nothing is more preferable than union, because it is synonymous with peace, concord, and above all Love. This Love that Christ our Easter has professed throughout his teaching, we Christians cannot renounce it. Unfortunately, this was the case of the Church of Catholicism, created by Princess Liisi as a "bastard version of Roman Catholicism"¹, today indifferent to the micronational question.

2. As a result of Our discourse today, and because We are still firmly convinced that it is necessary to dissolve the Church for which We are responsible, because of the heresies of which it is guilty, We, Calixtus, Pope of the Kivinesaarian Church of Katolicism, proclaim :

- The dissolution of the Kivinesaarian Church of Katolicism and the religion of Katolicism.
- The rallying of **ALL** the Katolic faithful, without exception, to the One, Holy, Catholic and Apostolic Roman Church, currently led by His Holiness Pope Francis, two hundred and sixty-sixth Sovereign Pontiff, elected on March 13, 2013, in the Sistine Chapel, in the Vatican City State.
- The end of the katolic pontifical lineage and the end of Our Pontificate began on October 25, 2020. From now on, only the Kivinesaar monarchs will be the rulers of the Kingdom of Kivinesaar, as long as they wish to give back to this micronation its activity.
- The infallibility of this *motu proprio*, which cannot be modified or deleted by anyone.

FINAL CALL

3. Before Our decisions are applied as soon as Our papal signature is affixed, We, Calixtus, address some recommendations:

1 PAPE CALIXTE, *Nos Conscientiam*, Induction Speech, 26/10/2020, Paragraph No. II.

- We call on our sisters and brothers in Christ and in Humanity not to fall into error, just as Princess Liisi and Pope John did. We absolutely forbid them to try to bring back from the past this Church of Katolicism, an "infinitely unholy institution"² and soaked with heresy. It "has never led souls into error, but [...] has only temporarily deceived [...] the few other [people] who tried to govern it...". It would therefore be a grave sin for any of you to try to bring her back. It would be even worse than to want to use her memory "badly"³.
- We give thanks to God for enlightening us and bringing us to the MicroWiki page of the Sovereign Kingdom of Kivinesaar, in order to eradicate its many errors. We fervently pray and beseech Him not to allow such an event (such as the resurrection of Katolicism) to occur in the future and that if ever the very idea of a similar initiative should dawn in the mind of one of His sheep, may He give him insight and Reason and forbid him to engage in such a heresy, by whatever means He deems worthy.

We, Calixtus, whose Papacy will be taken away from Us as soon as this motu proprio is signed, grant you Our blessing, given in the name of the Almighty Power of Our Lord Jesus Christ, who sacrificed Himself for love of us, for the glory of God and for the salvation of the world.

May God remain in you forever until the end of time!

Given on 26th October 2020, Solemnity of Saint Dimitri, in the first year of Our Pontificate.

CALLISTUS P.P.

² MARKUS PIUS - Grand Inquisitor of the Neo-Israeli Church - *Decree for the Suppression of the Schism* - February 28, 2018 - "...this infinitely unholy institution...".

³ PAPE CALIXTE - *Nos Conscientiam*, Induction Speech, 26/10/2020, Paragraph n°X.
